BARNARDOS

1. Barnardo's (*the promoter*) is licensed and regulated in Great Britain by the Gambling Commission under account number 4642. This lottery (*Winners Club*) is subject to the laws of England, Wales and Scotland and run under the rules laid down by the Gambling Act 2005.
 2. All proceeds from the lottery, less the amounts paid in prizes, go to Barnardo's Children's Charity (*Registered office address: Tanners Lane, Barkingside, Ilford, Essex IG6 1QG*). Registered Charity No: 216250/SC037605. The responsible person for the lottery is Fiona Meyers: workplacegiving@barnardos.org.uk or Fiona Meyers, Barnardo's, Tanners Lane, Barkingside, Ilford, Essex IG6 1QG
 3. It is an offence for anyone under the age of 16 to enter a society lottery. Barnardo's has determined that the minimum age requirement for entry into our lotteries is 18
 4. The cost of each entry is £1. Players can take a maximum of ten lines. Payment needs to have been taken before entry into draws can begin. To join the lottery your employer must be provided with a completed joining form. Upon receipt on your joining form, the promoter will then write to you to confirm entry.
 5. Each participating employer has its own draw for its own employees, which is managed and facilitated by the promoter in accordance with these terms and conditions. Terms and conditions will be available at point of joining and can also be viewed at barnardos.org.uk/lotteries-raffles/winners-club-workplace-lottery/terms-conditions. Relevant draw information including odds of winning, prize value and draw frequency can also be found via our terms and conditions page (*see point 7*).
 6. The cost of 1 weekly entry to the Lottery prize draw is £1. Payment for the Lottery entries will be made via payroll deductions only. Your employer will implement the payroll deduction directly from your pay once a completed joining form with authorisation has been received.
 7. The standard draw period is 13 weeks and all entries purchased during the draw period will be included in the draw as a chance to win. Barnardo's reserves the right to extend the draw period to 26 or 52 weeks to ensure compliance with Gambling Commission Licence Conditions and Code of Practice Rule 11.1 (*A society lottery must apply a minimum of 20% of the gross proceeds of each lottery directly to the purpose of the society*).
 8. The amount taken from your pay will depend on the frequency of your pay date. If you purchase the minimum of 1 entry, the following deductions will be made on your payday: £1 if you are paid weekly, £4.34 if you are paid monthly, £4 if you are paid every four weeks. If you sign up for multiple weekly entries the above figures will be multiplied by the number of multiple entries purchased (*up to a maximum of 10 entries per week*).
 9. For each set of 13 entries, monthly paying players will be contributing £13.02 per draw period and the Promoter will treat the additional 2 pence per 13 entries as a donation to Barnardo's Children's Charity.
 10. The Lottery is intended to be a fun way to support the Promoter's work. If you feel you have a problem with gambling please visit the Promoter's website barnardos.org.uk/lotteries-raffles/self-exclusion-responsible-gambling or visit the Gambleaware website gambleaware.co.uk or contact the National Helpline on 0808 8020 133 – lines are open 8.00am until midnight where you can get help and advice.
 11. You can self-exclude from the Lottery or ALL of the Promoter's lotteries for a minimum period of 6 months and up to a period of 5 years if it is needed. Any self-exclusion period may, on request, be extended for one or more further periods of at least 6 months. This can be done by visiting barnardos.org.uk/lotteries-raffles/self-exclusion-responsible-gambling or by making the request in writing to the Supporter Relations Team at the Promoter's registered office address (*see point 2*). You should read the guidance notes on the consequences of self-exclusion and agree to them before the period commences.
