

GIVE THROUGH YOUR PAY

**Support Barnardo's with a Payroll
Giving gift. Because when you change
a childhood, you change a life.**

Life is difficult for too many children and young people. Help us to change that.

Your employer is supporting our work through payroll giving which means you can support our work with a tax-free regular gift. Donations cost you less. So, for example, a £5 regular gift would only cost you £4.

We help children and young people feel safer, happier, healthier and more hopeful, by directly supporting them and their families with specialist services across the UK, raising awareness and campaigning to change the way the system works for the better.

We've been changing childhoods and changing lives for over 150 years, and we'll be here for as long as we're needed thanks to people like you.

Keep an eye out for one of our fundraisers who will be visiting soon. Even small, regular donations make a big difference so please do come and find out more about our work and how a regular gift from your pay can help us be there for more children and young people.

**In a world where children are feeling like
they don't belong, your regular donation
can show them that they do.**
